hair by leanne

Hi, my name is Leanne, I'm 31 and live on the outskirts of Boston. I have now been hairdressing since 2007; I had always worked in salons until 2018 when I then set up on my own in a home salon and I've never looked back.

I'm a mum to a beautiful little girl, Faye, so my job works around her perfectly. Since returning from Maternity leave I have thrown myself back on to the wedding scene and I absolutely love being a part of your special day.

I am available to travel outside of Lincolnshire for your wedding day; the furthest I have been is Tuscany so no distance is too far!

Not only will I be there to help you and your bridal party get ready for your big day, I will be on hand to help keep you calm, be your voice of reason and make sure your morning is filled with smiles and laughter before you get ready to walk down the aisle.

beauty by rhiiii

My name is Rhianna Hardy, I'm 21 and have been doing bridal makeup for 3 years now and I absolutely love every minute of it.

I have my own studio which I'm so proud of where I not only do makeup but I also do other beauty treatments to prepare you for your big day. I am also a fully qualified level 3 hairdresser and level 3 beauty and massage therapist. Makeup and beauty is the only job I've ever had and wouldn't change it for the world.

Email is the easiest way of communicating for

make up

makeup by leanne

I am Leanne, known by many as MBL/Makeup By Leanne. I'm a mother of 2 and have been in the make up industry for approximately 6 years. 1 year on counter at Estée Lauder and 5 years with my own business and studio.

I find I am well known for my SFX (Special effects make up) as I am quite creative - especially around Halloween and glam. I also specialise in weddings, content creating, photoshoots, drag, 1:1 learn your own face makeup lessons.

My favourite part of the 'job' would be making people feel beautiful in their own skin. There is nothing more rewarding.

sincerity wedding styling

Hi, my name is Nicole, I am a Lincolnshire based wedding stylist. I love to work with couples who love a natural, intimate aesthetic. I am organised and passionate about what I do. I am not particularly traditional and believe every couple should have their wedding their own way.

You may be a couple who have no clue where to start and need help with a design and colours, or you may already have some ideas and need some help bringing these to life. Whatever your situation, I will work with you to create a beautiful and cohesive aesthetic for your special day.
